

LAKE MURRAY ASSOCIATION
MINUTES FOR JUNE 13,2005

OLD
BUSINESS

| | | |
|---|---|---|
| Review Ladies Day/Barber(France) | A Great Success; 100% of those providing comments had fun, would do it again and found the staff helpful. | Better “comfort” facilities recommended for next year. Review all survey comments during planning stages next year. |
| SCE&G Meeting/Barber | They will look into Pintail Point dredging. | . |
| Stakeholders Meeting/Joy Downs | Hosted by LMA at Farm Bureau (thanks to Russ Jernigan) with lunch. Attendance was good. Topics discussed included water quality, dissolved oxygen, inflow/ outflow impact, downstream issues, and others. | Input from DHEC and DNR emphasized using the “right” language, timing, rationale and having the issues clearly communicated which is expected (and required) by FERC. Norm Ferris of Saluda Trout Unlimited will host next meeting. |
| Tour of Homes/Pat Wendling | Pat’s written report was distributed | The event this year was a complete success. Many lessons were noted to assure future successes. |
| <u>NEW</u> <u>BUSINESS</u> | | |
| 4-H2O/Rich Kidder | Plans are going well. Event will be held at Hilton Landing July 18-21. | Pontoon boats are needed for the evening of July 21 to transport families of class participants. Contact Rich if you can assist . |
| New publicity Chrmn/Barber | Process continues | Your help is needed in finding an LMA member or non-member to fill this role. |
| Grants/Kidder | Possible interest in partnering with ENSR on a commercial grant putting together a new TMDL for water quality (monitoring phosphorous) | |

V.P. Election/Barber

The resignation of John Martinez has been accepted with regret.

COMMITTEE REPORTS

Environmental/
Parker

DNR is considering treating a test area of Primrose on the western side of Lake Murray.

LMA may be contacted to assist with homeowner notification.

Newsletter/ Keener

Next edition will be on time and a ballot will be included in the **fall** newsletter.

Suggestion made to include a survey to get member input on key issues.

Gov't
Liason/Downs

An inventory of Lexington area public access areas is needed. For re-licensing process' LMA will be required to clearly define the issues that concern us.

Suggest SCEG solicit public input and report on current accessibility.

Membership/
Jay Downs

Currently, renewals going well.

Nominations/
Jernigan

5 terms expire in Sept., Motivated and talented nominees are needed to keep our Board strong .

Safety/ Wingard

Location of lake markers requires updating. Multi-agency group needs to meet on common safety concerns.

Contact Skeet Mills of DNR for additional information. Set up meeting as soon as possible.
