

Lake Murray Association Minutes of Board Meeting

June 13th, 2011

The meeting on June 13th was called into order at 7:01pm. Sharon lead us in a prayer and welcomed us to our meeting. Our minutes from the previous meeting were approved via email by Ken Fox (1st) and Dave Landis (2nd).

The Treasury report was reviewed by Tom Ruple before the board noting things like the LMA sales, the contracted office equipment (copier) and then also the costs associated with the tour of homes portioned out for that month and 2 months worth of web hosting. The Treasury report was approved by Ken Fox (1st) and Russ Jernigan (2nd).

Old Business:

Tour of Homes (Louise Love):

The tour of homes had 165 paid tourists and brought in \$1995.63.

Louise wanted to go over some potential things that we could do better or investigate that would help us to increase the attendance and efficiency of our TOHs event.

- A.) Technology – we were a little behind the technology curve for the event and need to use email/FaceBook more effectively.
- B.) Making note of when the tourists sign up for the tour and also weather being a factor affected our turnout.
- C.) We should incent people in some way to sign up early so that we can have a more accurate count and some lead time.
- D.) We should send out invitation to the folks who attended the year before to sign again for this year.
- E.) Sharon mentioned having the email addresses specifically for the TOHs. Also mentioned the ability to register online.
- F.) Should we go to Jake's Landing again in 2012?
 - a. We need to start looking for homes already including some homes that got passed on this year because it was already too late.
- G.) We need to post pictures of the TOHs onto the LMA page.
- H.) Should we consider doing a second event during the year to help raise funds for the LMA. A golf tournament was mentioned by Dave Landis and said that it was done before and earned in the neighborhood or \$3-4K.
